CHRYSSAFIDIS offers a comprehensive range of GAS products. Specialized engineers are available to assist you, giving technical advice and proposing complete solutions (gas-train design). Our product range includes:

Valves

Butterfly Valves

EFFEBI

Ball Valves

EFFEBI - Klinger - IVR - CIM

Piston Valves

Klinger

Filters - Strainers

RMG - CIM - FAG

Flame arresters

RMG

Gas Pressure Regulators
Overpressure shut-off valves (SAV)

Line safety valves (SBV)

BRYAN DONKIN - RMG

Level gauges and tele-transmission of indication
ROCHESTER

Tank and truck equipment

Safety valves

Excess flow valves

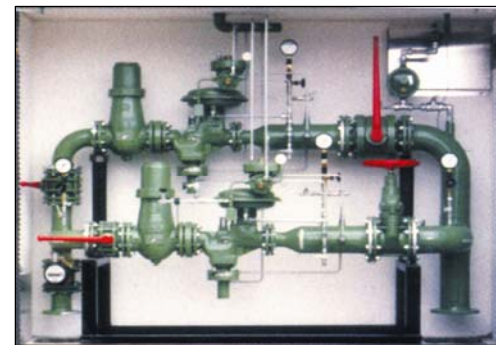

Level indicators

REGO

LPG pressure regulators

REGO

Natural gas pressure reducing stations

RMG

Heating tapes and cables

ISOPAD / REYCHEM

Solenoid valves

GECA - GSR

Gas flow meters

RMG

Mass flow meters

NEPTUNE

Seismic valves
