ISO 9001:2000

CHRYSsafidis offers equipment for every application related to the construction, control and protection of piping systems for WATER. Our specialized engineers are at your disposal and provide technical advice regarding any related application. CHRYSsafidis exclusively represents leading companies in this sector, supplying products produced according to the strictest specifications.

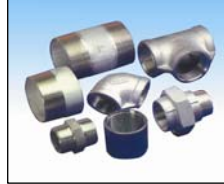

**Steel and stainless steel pipes
Welded and seamless**

Steel and stainless steel welded fittings

Steel, stainless steel and malleable iron threaded fittings

**Grooved Fittings
GRINNELL - RECOMB - ATUSA**

**Butterfly valves
EBRO - CRANE - EFFEBI - SAPAG - TIS**

**Gate valves
TIS - GEMAK**

**Diaphragm valves
CRANE SAUNDERS**

**Balancing valves for HVAC installations
CRANE**

**Solenoid valves
GSR - CEME - HAFNER**

**Large flow regulating valves
(Needle valves, Howell Bunger, MONOVAR)
NENCINI - SAPAG**

**Pinch valves -
Duck bill check valves
RED VALVE - TIDEFLEX**

**Brass valves
CIMBERIO - IVR - APM**

**Pressure reducing and
Safety relief valves
GEMAK - GERHARD GOETZE**

**Knife gate valves
CMO - EBRO**

**Check valves
GEMAK - EBRO - ZETKAMA - SAPAG**

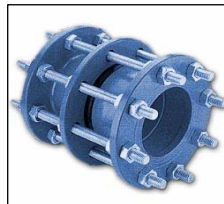

**Dismantling pieces
GEMAK**

Insulation

**Rubber expansion joints
AFA - EBRO - MACOGA**

**Electromagnetic flow meters
ARKON**

**Water meters
MADDALENA**

**Gaskets
KLINGER**

**Couplings, Flange adaptors and
Under pressure tapping
equipment
HUOT**

Flanges
